It's not the first time **I've won something** I must admit - about 20 years ago I remember winning a coffee mug that had two legs to stand on... I had to send a postcard then, no email for me back then. Unfortunately the mug broke a few months later. ✖

Fast forward to 2006 and here I am, **proud winner** of the Icebreaker/Gaming apps category of the Adobe Connect (formerly Breeze) Sync Swf contest with my entry of **Just Letters**.

What can I see - this is brilliant. But I won't rub it in... however I am now **considerably richer** than **yow** ;-)
