Evolution Gaming, an industry leader in live, real-time online casino games, is currently looking to fill two positions. The first one is for a Senior Flash Developer with a focus on ActionScript while the second position is more of a general web development role with a focus on HTML/CSS and also Flash.

You can read the full requirements for the **Senior Flash Developer role here**, the details for the **Web Developer Role are here**.

Interested parties should direct their CV and accompanying covering letter to heidi@evolutiongaming.com or call +44 207 563 9140
